公司簡介	產業類別：紡織業		
	豪紳纖維科技(Asiatic Fiber Corporation, AFC)從創立以來紮根台灣、放眼全球，秉持誠信、創新、團隊、滿意的經營理念，為顧客創造一個純淨、安全、健康與舒適的社會。豪紳纖維科技初創於西元1973年，由研發特殊纖維與高性能纖維產品到開拓無菌室紡織品、與醫療、美容保健與戶外健康市場，胼手胝足、一步一腳印將台灣傳統紡織產業轉型為全球高性能纖維科技產業，歷經30餘年成就豪紳纖維科技股份有限公司，外銷全球近60個國家。 「潔淨、安全、醫療保健、戶外健康」之企業願景彰顯出本公司四大產品領域。潔淨(AFC®Clean)經營無菌室相關的纖維製品，如：無塵衣帽鞋、無塵布等配件，提供高科技產業更良好的生產空間與品質需求。安全(AFC®Safety)經營抗靜電 ESD、抗電磁波、防火相關纖維製品，在自我專業領域內不斷求新求變，勇於創新、突破與研發各類科技纖維製品。醫療保健(AFC® Medical & Healthy)經營醫療保健用纖維製品，如：手術衣帽、刷手衣、保健襪，提供辛苦的醫護人員更安全與衛生的工作環境。戶外健康(AFC®Outdoor)經營運動、加熱、發光、酷涼系列商品，跨足不同產品領域，為顧客帶來更優質的生活與關懷。創新、服務、滿意的顧客服務精神，是豪紳纖維科技永久的堅持與信念！ Asiatic Fiber Corporation has a single mission to create tomorrow's products through integrity, innovation, teamwork and satisfaction. We have put this mission into practice since AFC's founding in 1973. It has taken us from becoming the dominant leader in Taiwan to our entrance into world markets. AFC established its product base with research into special and high function fibers. This led us to developing cleanroom textiles, specialized medical clothing, on into special-function beauty and health goods, and now a growing leisure and outdoors market. Step by step, AFC has applied this mission from the traditional textile industry to a worldwide high-function fiber industry. Today, we are exporting our products to some 60 countries worldwide. AFC is proud to be a pioneer and leader in the field of cleanroom and electrostatic discharge (ESD) products in Asia. Through our global business vision and through branches in different countries in the world, AFC has become the main supplier of these products to Europe, America, and Asia. With fiber material as the main point of our research, textile product extensions have led to our developing functionally superior medical and outdoor recreational products. This synergy has		

	expanded our business opportunities in different fields as we aim for greater industry effectiveness.

The main products of AFC® Clean are concentrated on fiber applications for a non- bacteria environment, such as accessories that provide the high-tech industry better manufacturing procedures and product quality. The AFC® Safety professional field is the result of innovation, development and research into diversified high-tech fiber products, which continually change to meet evolving market needs. AFC® Medical & Healthy focus on medical-care fiber products, such as surgical gowns, scrub shirts and healthy socks where clean and safe working environments are vitally important. AFC® Outdoor is an exciting new area of specialized products for sports, with heated and cooling clothing, and LED products providing safety for athletes and children. AFC is guided by a vision of helping businesses and individuals succeed in their endeavors. We can only do that through an excellent management team and motivated AFC associates applying the latest R&D technology, market drive and superior products.
