系統生物學工作坊

Systems Biology Workshop -Bridging Mathematics and Biology Two Excellent Examples: Cell polarity and cell-to-cell differences

Speaker: Dr. Lani Wu

Cecil H. and Ida Green Scholar in Biomedical Computational Science **University of Texus, Southwestern Medical Center**

報名網址:http://goo.gl/uzL1j

5/6/2013 Mon.

Topic: How has mathematical modeling approaches helped us to

understand cell polarity network? (Lecture)

Time: PM 1:30 – PM 4:30 Place: 台大牛科館3F演講廳

5/8/2013 Wed.

Topic: What has mathematical analysis helped us to understand

cell-to-cell differences? (Lecture)

Time: PM 1:30 - PM 4:30 Place: 台大生科館3F演講廳

Time: PM 4:30 - PM 6:00 **Interaction and pizza dinner with students**

Place: 台大生科館327會議室

5/9/2013 Thu.

Topic: Reverse engineering neutrophil polarity network. (Seminar)

Time: AM 11:00 - PM 12:30 Place: 台大牛科館3F演講廳

Time: PM 12:30 - PM 4:00 Lunch and Discussion with PIs

Place: 台大生科館327會議室
