Goldman
Sachs

Internal Audit Division - 2021 Summer Analyst Program

ABOUT GOLDMAN SACHS

Goldman Sachs is a global investment banking, securities and investment management firm. We provide a wide range of services to a substantial and diversified client base that includes corporations, financial institutions, governments, non-profit organizations and individuals. We commit people, capital and ideas to help our clients, shareholders and the communities we serve to grow. Our headquarters are in New York and we maintain significant offices in London, Hong Kong, Tokyo, Singapore, Bengaluru and other financial centers around the world.

ABOUT INTERNAL AUDIT DIVISION

In Internal Audit, we ensure that Goldman Sachs maintains effective controls by assessing the reliability of financial reports, monitoring the firm's compliance with laws and regulations, and advising management on developing smart control solutions. Our group has unique insight on the financial industry and its products and operations.

PROGRAM OVERVIEW

Our Summer Analyst Internship is an eight to ten week summer program for students pursuing a college or university degree. You will be fully immersed in the day-to-day activities of our Internal Audit Division.

As a participant, you will:

- Attend orientation where you'll learn about our culture, as well as the benefits and responsibilities of being a member of the firm
- Receive division-specific training designed to help you succeed
- Have the opportunity to work on real responsibilities alongside fellow interns and our people
- Date: Summer 2021
- Location: Hong Kong / Tokyo
- Eligibility: College or university students in their penultimate year of study

WHO WE LOOK FOR

We welcome people from a variety of academic and professional backgrounds who are interested in the financial markets. Starting your professional career with Internal Audit will give you a unique opportunity to quickly gain experience and insight into the financial industry and its products and operations. You will also interact with and learn from some of the most respected leaders in the industry. The best candidates will value teamwork and diversity, demonstrate strong communication skills, exhibit leadership and excellence, and possess the drive and motivation to succeed in a fast-paced environment.

- Major in Accounting, Business, Economics, Finance, and Engineering is desirable
- Hong Kong: Proficiency in Mandarin or Korean language is a plus
- Tokyo: Proficiency in Japanese language is required, and proficiency in Korean is a plus
